

WOODLAND GRANGE

Part of **MAKE VENUES**

Woodland Grange is a stunning residential conference venue in Warwickshire. It has the best of all worlds – a building full of character, state-of-the-art facilities, 16 acres of beautiful grounds - and a convenient location at the heart of the motorway network (the M40, M42, M6 and M69 are all within a 20 minute drive).

It is one of only fourteen conference venues in the UK to have achieved the Accredited in Meetings (AIM) Gold Award for superb meeting room facilities and it is a Conference Centre of Excellence, the highest measure of quality within the conference venue sector.

Our largest suite can accommodate up to 200 people, but we can also cater for much smaller groups, tailoring each package to exactly what you need. Refreshments, stationery, flipcharts, phones and whiteboards are included as standard and there are no hidden extras.

We have 114 extremely comfortable bedrooms, some with idyllic views across the Warwickshire countryside. All have ironing facilities, ensuites with toiletries, 26" flat screen HD TVs with Freeview, radio channels, complimentary WiFi, data points, phones and coffee making facilities. There is lift access to all the rooms and disabled facilities are available on request.
